

# End of Term Apples for a Favourite Teacher

With the end of term fast approaching I thought it might be a good time to think of a unique gift to thank deserving teachers. This little apple is very simple, perfect for beginners or older children and may be stitched in a few hours. The finished needlework may be framed or attached to a card and given as a gift

The example shown is stitched in size 11 seed beads on linen using waste canvas. Alternatively, the design may be completed in cross stitch on 14 count linen or Aida using 2 strand of embroidery thread. A single apple measures approximately 6cm x 6cm when finished, but you might like to create a row of apples and the teacher's name.

I haven't specified colours, just go with whatever takes your fancy or you have to hand.
